### **Approval of Minutes**

Minutes were approved for the March meeting 6-0.

### **Context Driven**

Kandese Holford with SHA updated the committee on the work that is being done on the Context Guide and the Pedestrian Safety Action Plan. Shayne and Darius has numerous question on what was being done and possible funding to implement the Plan.

### **Boom Mowing on County Roads**

Susan Hanson and Pam Burke with Friends of Rural Roads Advisory Board talked to the committee about boom mowing on county roads, and ask the committee to support their request for a temporary stoppage. The committee agreed to write a letter of support.

### **Staff Updates**

Joe Kelley inform the committee that Planning and Permitting will be seeking construction funding for phase 1 of the F & P Trail as well as 65% Design Funding for Phase 1 of the New Design Road Side Path.

### **Bikeways & Trails Plan update discussion.**

Darius presented the idea that the Bikeways & Trails Plan should be updated. After much discussion the committee decided that it should ask the CE to have Planning staff work on minor revisions of the existing plan at this time and in a few years do a major update.

### **BMUFL signs Sponsorships**

Joe Kelley brought that after the new signs where installed some people asked if they could sponsor additional signs. After discussion the committee decided that it would be a good idea to have these signs sponsored for much of the same reasons that other traffic signs are not sponsored.

Dave Olney updated the committee on the BMUFL signs on New Design Road and said he would send out email of what DPW is planning for placement.

**Committee Member Announcements**

Shayne announced that Bike to Work Day/Bike Frederick Day would be on May 21<sup>st</sup>.
